WE ARE THE ARMY'S HOME

Joint Base Lewis-McChord  
U.S. Army Installation Management Command

As of: 16 De Nov 2024  
Plain Language Brief\_ Version 24

The Military Housing Privatization Initiative (MHPI) *Tenant Bill of Rights* requires the garrison AHO to provide a plain language brief presenting the facts on tenants' rights and responsibilities associated with tenancy of the housing unit to all residents of privatized housing prior to lease signing and again 30 days after move-in on all rights and responsibilities.

“The Department of Defense is fully committed to ensuring that associated with tenancy of the housing unit, including MHPI housing projects provide our Nation’s most valued resource—its military members and their families—safe, quality, and well-maintained housing where our members and their families want and choose to live.

“The Department of Defense has issued all policy guidance necessary to implement prospectively all rights for military members and their families residing in privatized family and unaccompanied housing (Tenants) at all MHPI housing projects. However, as Congress recognized, retroactive application of the requirements at existing projects requires voluntary agreement by the respective MHPI company; the Department cannot unilaterally change the terms of the complex, public-private partnerships that established the MHPI housing projects. The Department of Defense has been seeking to secure voluntary agreements, and nearly all of the MHPI companies have agreed to implement all 18 Tenant rights at their existing projects. The Department will continue to pursue agreements not yet reached. Tenants should contact their installation housing office to confirm the rights fully available to them.”

- The Joint Base Lewi McChord Army Housing Office (AHO) staff are employed by the Army to assist Service Members and their families with housing matters and advocate on their behalf with community partners/agencies both on and off the installation
- The Army Housing Chief reports directly to the Director, Public Works and garrison leadership
- The AHO provides oversight of the privatized on post housing project managed by the privatized housing company and provides tenant/landlord dispute services
- The Housing Service Office (HSO) provides referral services to Service Members and families that reside or are seeking to reside off the installation

The ***informal dispute resolution process*** is a measured approach intended to resolve disputes at the garrison level that may be used to resolve disputes pertaining to the lease as well as issues that fall outside the specific parameters of the lease document, such as personal property claims.

The tenant may submit a completed ***informal dispute resolution*** request form with any documents that support the dispute to the AHO.

- An ***informal dispute resolution*** form is available at the AHO and on-line at <https://home.army.mil/lewis-mcchord/index.php/my-Joint-Base-Lewis-Mcchord/all-services/Housing-Home>
- Tenants may also visit the garrison ***Installation legal office*** to seek assistance in completing the ***informal dispute resolution form***.
- The Garrison Commander will serve as the mediator between the property owner and tenant in an effort to resolve the dispute at the local level, normally within 10 business days.

The **formal dispute resolution process** allows eligible tenants to obtain prompt and fair resolution of housing disputes concerning rights and responsibilities set forth in the lease that could not be resolved through the informal dispute process.

- A **formal dispute resolution** form is available at the AHO and on-line at <https://home.army.mil/lewis-mcchord/index.php/my-Joint-Base-Lewis-Mcchord/all-services/Housing-Home>
- The tenant may submit a completed **formal dispute resolution** request form with any documents that support the dispute to the AHO. Tenants may also visit the Installation legal office to seek assistance in completing the **formal dispute resolution** form.
- The **formal dispute resolution** may include a home inspection. If the tenant fails to grant access to the premises for inspection the formal dispute resolution process shall terminate, and no decision will be rendered.
- The Commanding General, HQ IMCOM, is the Deciding Authority and will generally render a decision within 30 days, but not later than 60 days.
- Tenants may request “rent segregation” for up to 60 days while the dispute is being reviewed.
- The **formal dispute resolution** eligibility is limited to military members, their spouse or other eligible individual who qualifies as a “tenant” as defined in 10 USC Section 2871.
- Tenants may seek legal advice or dispute resolution through any remedy available by law, except that Tenant and Owner shall not pursue such remedy available in law while a formal dispute resolution under this process is pending.

- Tenants are permitted to anchor any furniture, television, or large appliance to the wall of the unit for purposes of preventing such item from tipping over without incurring a penalty or obligation to repair the wall upon vacating the unit if the Landlord does not anchor the furniture for the tenant.

WE ARE THE ARMY'S HOME

- Section 3016(b) of the Fiscal Year (FY) 2020 National Defense Authorization Act (Public Law 116-92) added a new section 2894a to title 10 United States Code (10 U.S.C.) that requires the Department of Defense (DoD) establish a publicly available database that permits privatized housing tenants to file a complaint regarding their housing unit.
- To satisfy this requirement, the Department developed the DoD Housing Feedback System (DHFS) to enable Military Housing Privatization Initiative (MHPI) tenants to submit complaints, compliments and/or “feedback.”
- Publicly accessible information in the DHFS regarding tenant feedback includes the name of the installation where the housing unit is located, the name of the privatized housing landlord responsible for the unit, and a description of the feedback nature.
- The DHFS can be accessed at <https://www.dhfs.mil>.
