

**Yakima Training Center:** Yakima Training Center (YTC) provides training support for transient units and organizations by sustaining training lands, range complexes, and support facilities in order to enhance readiness. The installation's customers include not only the Joint Base Lewis-McChord and Army National Guard units, but also Special Operations Command, Marine Corps, Air Force, Navy, and Coast Guard units, plus local and federal Law Enforcement and allied forces from Canada and Japan.

The 327,000 acre installation provides an ideal environment for military training and enables the Yakima Training Center to continue to grow as the military's premier training destination in the Pacific Northwest.

YTC is located in the rugged, harsh terrain of Central Washington. High desert, sagebrush, beautiful skies, and views of the Cascade Mountains give YTC a wild and desolate beauty, but major amenities and shopping centers are all available within a few minutes from YTC.

YTC borders both the Cascade Mountain Range and the Columbia River. White Pass, Chinook Pass, and Snoqualmie Pass are all closely located to Yakima and provide abundant outdoor recreational activities for the outdoor enthusiast. YTC is also known for being a bountiful and diverse wine growing region with wine tours offered year round.

YTC is a welcoming community of hard working, industrious individuals. We welcome you to our community and encourage you to explore the many opportunities that YTC can offer you.

**Housing:** YTC relies 100 percent on Private Rental Housing in the surrounding communities to support our service members (both accompanied and unaccompanied) and our DOD civilian workforce. Service members will need to attend the off-post housing briefing while in-processing at Joint Base Lewis McChord prior to their arrival at YTC. The off-post housing briefing is given daily at Waller Hall from 1330-1400 hrs. A copy of the off-post housing briefing is also posted on the JBLM AHOUS website for your reference and use.

**Unaccompanied Personnel Housing:** Transient Training Barracks are the only barracks located at YTC. These facilities are used to house service members during their training rotations here at YTC. There are no Permanent Party Barracks located at YTC.
